

## Relationships

Ultra Gro is proud to support strong relationships with many leaders in agriculture and the communities within our service area.

West Hills Farm Services, Inc. together with West Hills Financial, LLC (formerly Ag Strategies) is a full-service, end-to-end solution for managing your ag-based business. We specialize in large plot tree-crops including pistachios and almonds in the greater Central California region. We manage farms all over Fresno, Kings, Madera, and Kern counties and millions of dollars in crops, equipment and personnel. We believe in transparency, responsibility, and reliability.
